

## **Kissed only once**

Kissed only once  
from you  
Muse of man  
flaming fire  
it is  
burning hot  
glowing in the heart  
in my soul

sparkling  
like water at a source  
through the veins  
hot  
sibilant  
drops of blood  
thicker than usual

sibilant  
on thigh  
lips  
skin and hair  
before consuming heat and longing  
hissed one time I see

kissed only once  
fire blazes  
in the heart as in the blood  
bloody kiss  
you enchantingly  
man and part  
yours  
mine  
desire forever

blaze  
does my body  
blaze my soul and my heart  
even kissed by you  
felt it was forever  
in heart and soul  
even kissed by you.
